Arezzo 2014

da: Mirabilia Design - Nora Corbett

Modello: SCHCEN-AREZZO2014DD

Versión *solo esquema* del delicioso dibujo realizado por Nora Corbett en ocasión de nuestra octava Festa del Ricamo.

Nota: No se aceptan reclamos y/o solicitudes de reembolso luego de la compra y descarga de este esquema digital. El esquema NO está creado en una computadora y con un software profesional, sino que es el dibujo original, con la letra original de Nora y como a menudo pasa con las pequeñas/grandes obras maestras realizadas a mano y en tiempos brevísimos (como los en que Nora Corbett creó este maravilloso regalo para nosotros), en esta también hay una pequeña imperfección que, estamos seguros, la hará todavía más preciosa y única!

- 1) El hilo que corresponde al símbolo del cuadrado lleno negro (en el esquema se encuentra, por ejemplo, en el pelo) es el DMC 3371;
- 2) El primer símbolo del listado (triángulo negro pleno con ángulo recto abajo a la derecha) no corresponde al DMC 3371, sino al DMC 3021;
- 3) En la leyenda del esquema, los DMC 165 y 211 corresponden al mismo símbolo (recordáis que el 165 se usa solo para las hojas, mientras el 211 se usa solo para las rosas abajo en el esquema).

Este diseño está inspirado en el mito griego de Andrómeda y en la constelación que lleva su nombre. La historia de Andrómeda es una dramática historia de monstruos y un rescate épico.

The Baker's Wife (MD166)

da: Mirabilia Design - Nora Corbett

Modello: SCHHOF19-2548

No todo lo que es dulce es necesariamente bueno. La esposa del panadero del palacio es un ejemplo de esto. Cuando el lujo se vuelve opresivo, la única forma de divertirse es cambiar el azúcar por sal y divertirse viendo a la nobleza saborear los manjares preparados por el esposo y contraer sus rostros en rostros repugnantes. Esta pequeña estafadora vive en la corte, pero solo como sirvienta. Esto sin embargo, hasta que se convierte en la misteriosa duquesa de Rouen.

da: Mirabilia Design - Nora Corbett

Modello: SCHHOF20-1456

Diseño: Nora Corbett

Conteo de puntadas: 152 x 201

Los bailes en máscaras ahora son una costumbre para la duquesa. La única razón por la que participa en tales eventos es para distraerse de la vida cotidiana. Mientras el clavecín toca su dulce melodía, la duquesa de Rouen encuentra, una vez más, el camino al jardín secreto de mariposas de la emperatriz. Fascinado por los tonos lavanda de estas bellezas aladas, se pierde en el aroma de las flores ocultas justo detrás de la puerta del jardín.
